

GV Hotel
223 High Street
Shepparton VIC 3630

23 September 2022

To GV Hotel,

Hepatitis Australia's 'Australia's Biggest Quiz' event at your venue on Wednesday 26 October 2022 - a letter to thank you for your support!

Hepatitis Australia is the peak community organisation progressing national action on issues of importance to people affected by hepatitis. In 2022, we are proud to deliver the Ending Hepatitis C campaign and its community event activation, Australia's Biggest Quiz.

On Wednesday, 26 October *Australia's Biggest Quiz* will take place at 16 venues across Australia, alongside a national virtual audience, in an attempt to break a world record, all the while raising awareness of hepatitis C, and its cure.

Through community and stakeholder consultation Shepparton was identified as one of the 16 live *Australia's Biggest Quiz* event locations. In our search for venues to host an *Australia's Biggest Quiz* event at we were looking for venues just like yours; places that are accessible and community-minded.

We're thrilled to have GV Hotel onboard as an event delivery partner. Your support is critical in not only helping us raise awareness of hepatitis C (and its cure) to your community, but also in our wider mission to end hepatitis C in Australia (and, to be the first country in the world to do so!).

Thank you!

Australia's Biggest Quiz is a free-of-charge event to attend for anyone in Shepparton. We'll be sending your venue an event promotion pack shortly and would greatly appreciate any support you could offer by promoting the event to your audiences too - the more the merrier!

Should you have any queries regarding the campaign or event please don't hesitate to get in touch with the campaign team at hello@australiasbiggestquiz.org.

Once again, thanks for your support - we couldn't do this without you.

Carrie Fowlie
Chief Executive Officer
